

Job Title: QA IT Apprentice
Reports To: QA Lead

Job Summary

Are you a school or college leaver looking to start your career within the Tech Industry?

Due to continued expansion, we are looking for an IT Apprentice to join our QA Software Testing Department . This is a fantastic opportunity for a someone to start their career and gain a qualification alongside some top commercial experience.

Location

We are headquartered in Kirmington, which is located approximately one mile from Humberside Airport. There's the Marrowbone & Cleaver within walking distance and a brisk walk around the village is a great way of getting your daily steps in

Responsibilities and Duties

You'll be working within our QA team and will be involved in testing the quality of our flagship aviation software whilst working towards a level 2 or 3 IT qualification.

Specific duties include

- Testing new software development including post release testing/ verification
- Recording and reporting test results to the QA and development teams
- Create and update existing user documentation and release notes
- Troubleshooting issues
- Day to day quality assurance of the software (checking for issues, bugs etc)
- Processing of test data
- Developing test plans
- Creation of test data
- Working towards automated testing
- Work towards completing of apprenticeship qualification, this includes attending our training providers centre on a weekly basis

** although not a specific requirement of the role, due to the location of the offices the successful candidate will be a driver with access to a vehicle

Experience, Skills and Knowledge

- Self-motivated and hard worker - *we encourage working smarter and being proactive*
- Ability to receive feedback positively - *we encourage openness and work together to improve ourselves, our products and our services and sometimes this means giving and receiving feedback from peers*
- Putting the customer first and using quality as a prime driver of outcomes - *quality over quantity is important in everything we do*

- Desire and willingness to learn and grow with us - *we want to see passion, this means going the distance in developing your skills and using those skills to benefit the company and the products*
- A team player - *we are a values-led organisation and actively promote a great working environment, positive team spirit and inclusivity*
- *Must have minimum grade C in Maths and English*

Staff Benefits

- Excellent Pay (our salary for an apprenticeship is above the statutory minimum)
- starting on 22 days annual leave plus public bank holidays, rising to 24 days plus PBH after 3 years service
- Company pension scheme
- Flexible working scheme
- Holiday purchase scheme
- Summer and Winter bonuses based on performance after 12 months
- Free drinks and fruit at work
- Choice of hardware - we all use the latest technology
- We also have a spacious building with a fully equipped kitchen area and 'chill out zone' with a games area

Applicants must have the right to live and work indefinitely within the United Kingdom
